With the 2011-2012 academic year on the way, **Scholastic Anglers** continues to provide an innovative outreach to area schools, teachers, and student-anglers in grades six through twelve. Scholastic Anglers is a complete Federal 501 (c) (3) (Tax ID #: 26-0735783) non-profit educational organization. With this in mind, we need your support for the **2011-2012 Scholastic Anglers Challenge**, the **Scholastic Anglers Tournament Trail**, the **Scholastic Anglers Championships**, and our many workshops, activities, events, and fundraisers throughout the academic year.

For nine years, **Scholastic Anglers** has experienced tremendous success touching, changing, and enriching the lives of each student-angler involved both on the water and in the classroom. It is that time of year and we are requesting your support. As always, we are in need of **Sponsorships**. All tax deductible contributions go directly to support the **Scholastic Anglers** cause...sharing this great sport! We have three sponsorship levels from which to choose and we hope to earn your support for this effort.

Scholastic Anglers is seeking **2011-2012 Academic Year Sponsors**. For a **\$300.00** contribution, please consider supporting this effort for the entire academic year! We are also in need of **Semester Sponsors**. For a **\$150.00** contribution you can support our program for the **Fall 2011** or **Spring 2012** semester. In addition, we are in need of **Grading Period Sponsors**. For a **\$50.00** contribution, you can support our program for a **six-week grading period**. Over the years, **Scholastic Anglers** has developed several award categories. Your support helps to fund trophies, prizes, and awards for the **Scholastic Anglers School Of The Year**, the **Scholastic Angler Of The Year**, and the **Scholastic Anglers Elite Eight** plus much of the equipment, refreshments, and supplies needed to carry out this exciting program. Should you opt for the **Grading Period Sponsor** or **Semester Sponsor** levels, please consider continuing to support this cause as the academic year progresses.

Your sponsorship is an essential piece to the success of the **Scholastic Anglers Program**. The following is a breakdown of the sponsorship levels along with the cost and a description of each level:
