

All,

Registration is right around the corner and we would like to take a moment to highlight some important points regarding registration for the upcoming 2014 FYL season:

- **Returning Players:** Consistent with prior years, FYL recognizes a player's prior investment in equipment (e.g., helmet, stick, etc.), and as such will be giving "Returning Players" a very short window (1 day) to pre-register in advance of the general public. As such, "Returning Player" registration will open at **September 23, 2013 (6am)**. Beginning at this time, when you visit www.franklinlax.com, you will see a button on the left hand side entitled "Register Now". As with prior years, click on that button to begin your registration. Again, only "Returning Players" will be able to proceed with this process until registration opens up to all on Sept 24th. Once registered, you should receive a confirmation note of a successful registration.
- **New Players:** Open player registration for the general public will begin on **September 24, 2013 (6am)** and the registration process will close by **October 1, 2013 (6am)**. Please visit our website, www.franklinlax.com, you will see a button on the left hand side entitled "Register Now". Click on that button to begin your registration. Once registered, you should receive a confirmation note of a successful registration.
- **US Lacrosse Membership:** Please remember that participation in our league, **Mass Bay Youth Lacrosse League ('MBYLL')**, requires an active **US Lacrosse membership**. FYL's registration system is **directly linked** to US Lacrosse to make it easier for you. The \$25 fee for a US Lacrosse membership is in addition to the \$185 registration fee for FYL. So, during the registration process for FYL, you will be redirected for a registration with US Lacrosse. Be sure to complete your registration with US Lacrosse and then finish your registration with FYL so that both components are complete. Do not consider your registration complete unless you have a confirmation note stating as such.
- **Waitlist:** It is entirely possible (likely) that the registration will fill up quickly, so please do not procrastinate, get your registration done as quickly as possible. In the event, the registration is full, we encourage you to still register and be added to the waitlist. If you are "waitlisted", your registration will be sorted in the order in which you registered. In the event FYL can accommodate additional players (e.g. a player registers but then drops) the first on the waitlist will be let into program registration.

- **Code of Conduct:** During the registration process, each player/family is required to read and accept to the terms of the '**FYL Code of Conduct**'. FYL considers this to be very important and appreciates your commitment to abiding by its spirit throughout the entire season. As you do, FYL wants all involved in the program to represent it well.
- **Game Shorts and Jerseys:** During the registration process, you will be asked to list a desired size for your player's FYL game shorts and game jersey (both are the player's to keep starting this year). Please remember to do so, and do accurately, as that input will be used as the basis for all orders.
- **Team Assignments:** Team assignments will be done later this year. Expect to hear after the New Year in January from your head coach regarding your team assignment for the spring season.

Lastly, if there are any questions, please feel free to contact FYL by emailing:
franklinlax@yahoo.com.

Thank you,

FYL
