

Picture Day

Dear Parents,
Manchester Soccer Club pictures will be taken on September 21 & 22.

You have the option of placing your order online prior to the shoot, instead of using the order form envelope.

1. Simply go to: <http://www.bishopphoto.com>
2. Enter your order form code: **ManchesterSCFall19**
3. Place your order and print out the receipt
4. Hand receipt to photographer on photo day

Speak with your coach to determine where the team is meeting before the picture time. Once you have found the team, please stay with them as it helps to move the process along.

When you arrive at Kennedy Road Field for the Photo Shoot you must:

- Have your order form complete with payment enclosed
- If you chose to order on-line, make sure you have your printed receipt to give the photographer (they will keep the printout)

After your individual player picture has been taken, please remain with the team so that the team photo can be taken.

Thank you,
Bishop Photo
