

2011 Game Reports for Week 9

Falcons Black - bye week

SLW Blue

SLW Blue battled hard but suffered their worst loss of the season to the New Lenox Warriors. The final regular season game featured some strong individual efforts but the end result was not pretty. The passing of Wiechers and the "David Tyree" like catch by Straight were the offensive highlights of the game. Defensively, Rekart forced a fumble that he recovered and Villa had 2 TFL's. Michaels, Scianna, Page, Bragiel, Teodoro, Paull, and Tremblay all contributed tackles in a spirited effort. In 5th quarter action, Gluch found some running room behind the blocking of Noetzel and Phaby while Sapato, Nikolic, and Stolarek opened some good holes for RB Leonardo. Nelson had a TFL and recovered a fumble caused by wicked hit from Lathus. Willis, Adamo, Leonardo, Tsamis and Christensen had TFL's, Jones made a TD saving tackle, and Falejczyk had a tough solo tackle on a QB keeper.

Fifth quarter action included Spencer executing a beautiful one arm tackle in the backfield. Possession was returned to Frankfort when Anderson recovered a fumble. Cumbee carried to gain twelve yards and it took an army of Knights to limit Kekatos' gain to 4 yards. Melendez kept the ball, twisted, and turned his way down field. Additional yards were gained on carries by Maddox Marchbank, Mason Marchbank, Teske, Low and Wanucha.

In regular game play, Vaundry smacked the ball carrier down to the ground resulting in a turn over on downs. Barrera ran for a gain with great blocking provided by Hackett, Gold and Ronza. Later Dziedzic and Amendola recovered fumbles. Excellent carries were made by Simon, Paliga, Lieser and hard stops were provided by Bruns, Hawkinson, and Rispoli. Bell closed out the season by preventing New Lenox from scoring the point after.

LW Blue Builds Momentum with a Win in Season Finale

LW Blue ended the regular season with a win over the New Lenox Jr. Warriors 6-0. Dunlap provided the Offensive spark carrying the ball 9 times for 106 yds, scoring the games' lone score. Bolsoni and Rohr also ran the ball well. Defense was the story again as they frustrated the Knights' attack all game long. Domalewski, DiGiovanni, Warning, H.Lang, Teodoro and

Christensen turned in excellent efforts holding the Knights to just 88 yards of offense. Blue finished with a 7-1 record, but their most impressive accomplishment was yielding only 3 touchdowns to their opponents all season long! LW Blue will open up in the playoffs as the #3 Seed and will face Joliet in the First Round of the 2011 Lightweight Division Playoffs. Good Luck Boys

Carr, Harris and Bachler began the game rushing with McGivern scoring the first touchdown. Additional yards were gained by Schmidt and Walsh. Ronza, O'Hanlon and DeButch held New Lenox back. Although Melby put his great kicking leg to much use, in the first quarter he faked a punt and ran for the first down. Kaminski carried to add a few yards here and there before Muhammad scored a touchdown. Those actions would be repeated in the second quarter. The defense also worked hard with Morrissey breaking up more than one pass; McCormick and Huguélet tackling the quarterback in the backfield; and Polka delivering some of his signature hard hits. Zelenika caught Hawkinson's pass and ran in for a touchdown. Third quarter play showed the line of Hackett, Burton, Parkinson, Gold and Sottosanto providing great blocking. Zavis, Lyke, Byrne, Rispoli and Miller returned to the game in the fourth quarter to maintain Frankfort's lead. The 33-13 win sends Frankfort White to the playoffs. Good Luck Team!

V Blue

The Frankfort Falcon Varsity Blue closed out the regular season on a high note (6-2) with a 19-6 victory over the New Lenox Warriors. A dominating running game and strong defensive play helped the Falcons control the game from the start. Werniak (11-97yds) busted a 63yd run off the right side before being forced out at the 2. Bauer scored on the ensuing play. The Warriors turned the ball over on their next possession after Jones made a huge 4th down stop. The Falcon's offensive line then took over and led a 57yd drive with big plays from Bolsoni (10-104yds-2TDs) that he capped with a 10yd TD run. The Falcons final score came on a 38yd Bolsoni TD run. A Bauer completion to Bruen converted the PAT. You cannot say enough about the stifling defensive team play from the Falcons led by Jones, Ziganto, Rauch, Hould, Schreiber, McGinn, Smith, and Pommo.

VARSITY WHITE FALCONS vs. NEW LENOX JR. KNIGHTS

G-E-O-R-G-A-K-O-P-O-U-L-O-S!!! His name might be a mouthful, but his enormous heart was a symbol of the effort put out by everyone on the Varsity White Falcons. Georgakopoulos successfully bounded into the end zone for the final touchdown and then the extra point of the 2011 season. He was surrounded by his overjoyed teammates, celebrating these last few glorious moments of this tough season. Other efforts of particular note included Carr as QB (some nice QB keepers for major yards), and impressive carries by Panfil (1st down), Moran, Morrissey (65 yards for TD), and Barkauski. The defense never gave up...helmet ringing tackles were delivered by Goodwin, Diehl, Straka, Panfil, Ronza, Madey, Barkauski, and Morrissey (tackle for loss). McDermed did what he does...huge reception in the 3rd quarter, blocked extra point, and an interception. GREAT SEASON GUYS!
