In its first playoff game against the Joliet Ravens, the LW Black Falcons' offense dominated time of possession. Young, Brown, Heerde, Townsend, and LaCognata kept the running game going while Keegan and McCreary connected in the air. The fact that the defense didn't see as much playing time was due to their efficiency and excellence. Key tackles came from Pfister-Arcos, Herlihy, Clark, Majcina, Brown, Young, Townsend, Pierre-Antoine, LaCognata, and Heerde.

Although LW Black moved the ball well, a blitzing Ravens' defense kept them out of the endzone until the 3Q. Brown scored on a 60+ yard touchdown run followed by a PAT from LaCognata. Falcons won 7-0.

The 5Q game ended in a 6-6 tie. Offensive contributors were Crowley, Nair, Ferneau, Kepuraitis, and Dillman. Defensive highlights included a fumble recovery by Rocklin, a ball strip by Teske, a touchdown saving play by Dillman, and tackles from Benn, Kepuraitis, Arcy, and Buck.

Amendola also made a great defensive play when he recovered a fumble. Matthew Bruns did a fantastic job of connecting with Ronza, Kraft and Hawkinson. Falcone, Low, Bruno, Zaeske, Iaderosa, Ritz, Boylan, Genz, Lizak, John Hackett, Mrozik, Dziedzic, Glatz, Perisin and Miritello also helped to keep the Wolves from scoring up until the last four minutes of the game. This team should be very proud of their performance in their last game of the 2013 season.
