

2013 Game Reports for Week 6

SLW Black

SLW Blue

Perfect FB weather & a perfect performance by the white squad! TD's by Muhummad, Poynton and Skrzynski gave SLW boys the edge in the 5thQ game with great blocking all around. As always, a powerful line fueled by Wills, Walenga, Chambers, Rodriquez, Maher, Collins, and Alfano kept the ball moving in the right direction, with Vanderkin, Ho, Winters, Byrne, Pope powering White's powerful defense. Our Blue squad showed some amazing power plays with 2-60 yard KO returns by Poynton & Wiechers beautifully blocked by Curtin, Straight, Ezell, & Kekatos -unfortunately neither resulted in a TD against the relentless Wolverines. As always, our boys stayed strong with great defensive plays by Falejczyk, & Kocka including a pass interception by LaPonte and another pass deflection off Sroka's helmet. Unfortunately an awesome punt return yielding a TD in the 2nd half by Kwiecinski was not enough to get Blue back in the game

LW Black

With touchdowns from Dillman and Nair, the LW Black 5Q team beat LW White 12-0. The defense shined with tackles from Maciejewski, Teske, Daly, Benn, Crowley, Kepuraitis, and a touchdown saving play by Dillman.

Although White moved the ball well during the regular game, Black's defense was a brick wall when it came to the endzone. If Pierre-Antoine, Pfister-Arcos, Clark, Mize, McCreary, or Herlihy didn't stop them up front, then Heerde, Young, Brown, LaCognata, Keegan, or Townsend would get them soon after. McCreary caused two of the three White fumbles, with recoveries by McCreary, Young and Herlihy.

On offense, LW Black continues to be threat in the air with a 50+ yard touchdown pass from Keegan to Young in the second quarter. Two more touchdowns in the second half (Heerde and Brown) put the game out of reach. LW Black triumphed over a very well played game by both teams, 19-0.

LW Blue

LW Blue got back in the win column with a victory over Tri-City. Belavich led the offense rushing for a TD and completing two long passes to the sure-handed Wiechers. Page, Straight, and Teodoro scored behind lead blocks from Emery, Tremblay, and Simon. Rekart welcomed back

the Wolverines with a crushing TFL on their first play. Paull and J Elgas took on blocks to thwart sweeps, Teodoro had a sack, Scianna had a FF and recovery, while Villa, Michaels, and Stolarek contributed TFL's. 5QBlue won game one to remain unbeaten. The defense gave up a TD on the third play but quickly regained its' swagger. Cumbee, Michaels, G Bell, Dauber, Adamo, Phaby, and Willis recorded tackles, Cunningham and Hosey had TFL's, and R Bell had a FF. B Elgas scored through a gaping hole behind Neary and Willis blocks and Dauber punched in the winning score behind lead blocks by Nikolic, Winters, and Adamo.

LW White

White started out on defense with nice tackles by Rispoli, Low, John Hackett, Mrozik and Perisin. Boylan made a beautiful stop and Falcone made a touchdown saving tackle. On offense, Zaeske, Iaderosa and Dochee ran well. Miritello, Jack Bruns, Tomczak, VanderKooi and Perisin provided awesome blocking that allowed Ronza, Matthew Bruns and Colin Hackett to run for gains. Sicinski also added a few with keepers. Hawkinson did a great job of covering the ball on the kickoff. Guzy, Amendola, Dziedzic and Lizak came out of nowhere and creamed their opponents. Paliga made a touchdown saving tackle. Kraft showed his skills on both sides of the ball.

On Wednesday night, the white team faced their Blue Falcons brothers. Genz was the first to hit. He was assisted by Glatz. Bruno quickly recovered a fumble. Low then caught a pass for a short gain. Iaderosa threw lightning bolts to Dochee.

To maintain the lead DMShelton, Romano, Bullington, Rojas, and Lieser played great defense securing JV Black's 26 to 13 victory.

JV Blue

JV Blue topped the Tri-City Wolverines with a potent Offensive attack. Wright set the tone on the opening kickoff, returning it for a TD. Belavich led the Falcons with a couple long pass receptions, one for a score. Judd, Evans, Teodoro, Fitzpatrick, Christensen, Scianna, Lang and

Selvaggio led the Offense as they scored almost at will. Belavich also had a couple key tackles for losses on Defense. Allen III, Rogien, Gergely and Wright also played smothering Defense. The 5th Quarter team took over duties at the end of the 3rd Quarter and continued to control both sides of the ball, closing out a dominating performance by JV Blue!

JV White

Coming out of halftime on the wrong end of a shutout, JV White was bound and determined to make a game out of the showdown with rival JV Black. Again, it was the defense that got things going with a fumble recovery by Tyler Gritzenbach, which he returned for 25yds. Michael Manning then Ran off tackle from about 3yds out for the score. He also ran in the extra point. A little later, Manning popped for a 40yd run, setting up Jake Tomczak to run it in from about 15yds out. White made another run at the endzone late, but were denied and the final was 26-13. Defensively, Gritzenbach had 2 fumble recoveries and there were tackles for loss by: jake tomczak (3), gritzenbach, russo, manning (2), criscione (3), paliga, murray, and ciatteo.

In Wednesday night action, John Edwards ran for a long TD in a losing effort against JV Blue.
