

2014 Game Reports for Week 6

SLW Black

Romeoville – It was definitely a clash of the titans as the Frankfort Falcons super lightweight Black team took on the Romeoville Spartans in Romeoville. Unfortunately a long touchdown run by Romeoville with less than one minute to go proved to be the difference as the Spartans prevailed 12-6. There were great plays by both teams, highlighted by Falcons Justin Parrish, Connor Durkin, Jack Hayes and Cade Serauskis. It was an intense playoff atmosphere despite being a regular season game – with both teams showing heart, determination and sportsmanship.

McKenna, Peabody, Rocklin and Daniel Benn led the Falcons' defense in the second quarter. The Falcons' second quarter offensive highlight was a block by Peter Olaley that allowed Mason Pierre-Antoine to run for 37 yards. LW Blue

Lightweight Blue vs. Richton Park Raiders. 9/20/14

The Richton Park Raiders visited the Frankfort Falcons field, flying a huge Raider flag and exhibiting some old school Raiders bravado. Perhaps that intimidates other teams, but it didn't faze the Lightweight Blue Falcons. Jackson Elgas started off the offensive onslaught with a quick touchdown run for 6 points. With true grit and determination, Aiden Cumbee scored the extra point. On defense, Brennan Stolarek immediately exhibited his leadership and skill by getting an important turnover during mishandled ball. As if to show off the brutal blocking of the offensive line, Jackson Elgas trotted in for another touchdown run. Aidan Dauber gets the extra point. James Kwiecinski also took advantage of the offensive line dominance by showing off some great skills at picking up significant yardage. Great defensive efforts by Jake Scianna and Dominic Adamo helped bring the Raider offense down to a trickle. An interception by Joseph Michaels and another one by Dominic Adamo helped take out any remaining wind in the sails of Richton Park. By the end of the game, the Falcons ruined the Raiders day with a 20-0 victory. Next stop, Mokena to face the Griffins. Go Blue...

JV Black

Thunderstorms did not stop Frankfort's JV Black from increasing their winning streak to four against the Romeoville Spartans this past Saturday. The Falcons put together an excellent first drive with two first downs (Beltz and Zajak) punctuated by a touchdown by Heerde. JV Black's defense prevented the Spartans from scoring at all in the first half with great play from Hackett, Bruns, Melby, Pfister-Arcos, Johnson, Herlihy, Savaria, Jelley, and Vidovic who had two fumble recoveries. The Falcons scored twice more before halftime with a passes from Slager to Heerde and Slager to Johnson bringing the score to 18-0.

The third quarter kicked off with an interception by LaCognata. Romeoville managed a touchdown but the Falcons answered with a 40 yard gain by Jelley and a scoring run up the middle by Beltz. In the final minutes, the Spartans scored again and attempted an onside kick which was thwarted by Clark. Other contributors to the win were Young, Dillman, Arcy, Keegan, Dochee, Casey, Guzy, Cohrs, Mize, Crowley, Ferneau, Potts, Lieser, Hagemaster, Amendola, Buck, Maciejewski, and Miritello. Final score was Falcons – 24, Spartans – 12. (Due to a rain delay, the fifth quarter was cancelled.)

JV Blue

JV Blue had a rude introduction to conference newcomer Richton Park. In game one, despite hard runs from Phaby, Polad, and a nice catch by Wiechers, the offense was shut out. Kwiecinski, Sapato, Slate, and Orlich contributed tackles but RP posted the victory. In game two, Blue lost 31-13, in a more competitive game than the score indicated. Blue struck first as Alsguson scored behind a Kraft block to cap a strong drive. RP responded with a quick six and later scored on a fake punt to take the lead. Blue answered when Wright returned a kickoff seventy yards for a 13-12 halftime advantage. Blue continued to pound the ball off left tackle behind some dominant blocking from Villa, Bragiell, and Michaels while Richton Park struck with big plays. Blue had chances but twice squandered red zone scoring opportunities with turnovers. The defense, led by Alsguson with Robinson, Rekart, Teodoro, DeJulius, Burks, Kingsbury, and Belavich chipping in tackles, fought valiantly but could not overcome those turnovers as RP took over the game late in the fourth.
