Dear Friend,

The Lake Washington Lacrosse Club, a non-profit 501(c)(3) organization, has been providing organized lacrosse for K-12 students in the Kirkland, Redmond, and the Lake Washington High School communities since 2015. Last year, over 90 students were part of Lake Washington Lacrosse program. Traditionally played on the East Coast, lacrosse is one of the fastest growing sports in the West Coast, especially in the Northwest!

Funding is critical to keeping our program a success. Funds raised through the auction and other donations help keep our program affordable for our families. In addition, they help offset the high costs of field rentals for practices and games, new uniforms, lacrosse equipment, stipends for our excellent coaching staff, as well as assistance to families in need who wish to participate in this growing sport.

Our funding challenges comes from the fact that the Lake Washington School District does not currently recognize lacrosse as a school sponsored sport. What this means is that all player costs are the obligation of each participating family. For comparison purposes, if it were a recognized sport offered through the school district, there would be a flat fee of \$200. Our families' registration costs can range from \$300 to \$900 per athlete. Lake Washington Lacrosse Club wants to ensure all athletes can participate, regardless of any potential financial barriers.

We are kindly seeking donations to be included in this year's online, silent, and live auctions. Our auction will be held on Thursday, April 30 at Wilde Rover. The deadline for donations received is Friday, April 10, 2020.

In return for your generous donation, we will promote your business on our organization's website as well as highlight your business in our auction website and catalog.

If you are interested in supporting our organization, please complete the included pledge form. The form can be emailed or mailed back, or simply contact me and I will arrange to have your item picked up at your convenience.

Thank you in advance for your consideration and generous support. [Go Kangs!](#)
