This is my \_\_\_\_\_ semester in \_\_\_\_\_ High School, and my \_\_\_\_\_ semester since first entering the ninth grade. Last semester I attended \_\_\_\_\_ School and passed \_\_\_\_\_ credit subjects, and I am taking \_\_\_\_\_ credit subjects this semester. I have read the condensed individual eligibility rules of the HRLax Boys High School League that appear below and believe I am eligible to participate.

### INDIVIDUAL ELIGIBILITY RULES

**To be eligible to participate with an HRLax Boys High School Lacrosse Team, you--**

- must be a regular bona fide student in good standing of the school you attend.
- must be enrolled in the last four years of high school.
- must have enrolled not later than the fifteenth day of the current semester.
- must meet academic eligibility requirements for activity participation at the school you attend. At a minimum must be currently enrolled in not fewer than five subjects, or their equivalent, offered for credit and which may be used for graduation, and have passed five subjects, or their equivalent (offered for credit and which may be used for graduation) the immediately preceding semester.
- must sit out all HRLax competition for 365 consecutive calendar days following a school transfer unless the transfer corresponded with a family move. (Check full rules for exceptions.)
- must not have reached your nineteenth birthday on or before the first day of August of the current school year.
- must not, after entering the ninth grade for the first time, have been enrolled in or been eligible for enrollment in high school more than eight consecutive semesters.
- must have submitted to your coach before any kind of participation, including tryouts or practice, an Athletic Participation/Parental Consent/Medical Clearance Form, completely filled in and properly signed attesting that you have been examined during this school year and found to be physically fit for athletic competition and that your parents' consent to your participation.
- must not be in violation of HRLax Amateur or Outside Team Rules.

Eligibility to participate in interscholastic athletics is a privilege you earn by meeting not only the above-listed minimum standards, but also all other standards set by the League and team. If you have any question regarding your eligibility or are in doubt about the effect an activity might have on your eligibility, **check with your coach for interpretations and exceptions provided under League rules.** Meeting the intent and spirit of League standards will prevent you and your team from being penalized.

Additionally, I give my consent and approval for my picture and name to be printed in any team or HRLax athletic program, publication or video.

**LOCAL TEAMS MAY REQUIRE ADDITIONAL STANDARDS TO THOSE LISTED ABOVE.**
