Shots

e. Shot—A ball propelled toward the goal by an offensive player, either by being thrown from a crosse, kicked or otherwise physically directed. A shot can be awarded only when possession of the ball can be reasonably said to have occurred, by ricochet or when a controlled effort can be construed (similar to a controlled tip in basketball). A ball that enters the goal as a result of being propelled by the offensive team must be credited as a shot. A ball that ricochets off another player and scores will be awarded as a shot by the player deemed to have scored the goal. In the case of an own goal, no shot is awarded. A shot can be high or wide of goal to be counted as a shot.

Record the jersey # of the player credited with a shot: (ex. 14, 5, 7, 14, 5, 1, 14, 14)*
