

How do I find the referees or umpires assigned to our games?

- 1) Go to www.arbitersports.com
- 2) Sign in to your Arbiter account in the upper right hand corner.

If you do not have a current Arbiter account for your club please contact your Club Administrator or Club President for the club-wide email address to login with.

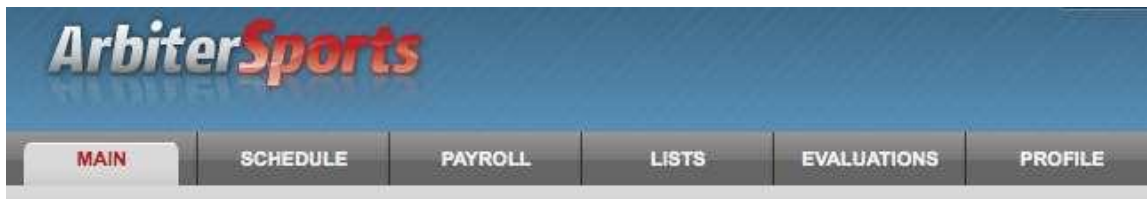

If you have any other issues with Arbitersports please contact an NCJLA assigner:

For Boys Lacrosse- Alex Snaider, snaidman@yahoo.com
 For Girls Lacrosse- Marcos Amezcua, assignor1@ncwlo.org

- 3) Once logged into your Arbiter account you may have to “Sign In” to a specific Account. Do this by clicking on the silhouette under “Sign In” next to the appropriate account.

Which Account would you like to sign into?			
OrganizationID	Organization Name	Account Type	Sign In
103241	Northern California Womens Lacrosse Umpires Assoc	Contact	
104478	WWLL - Western Womens Lacrosse League	Contact	

- 4) Once logged into the appropriate sign-in, click on “Schedule” on the horizontal tool bar.

- 5) Your team’s name, sport, and level will come up. Click on the **blue number** under the “Games” column.

Team	Name	Sport	Level	RefPay	Games	Print
To	NCJLA			Pay Officials	544

- 6) You will see the remaining schedule for your team’s lacrosse season. To view who is assigned to your games click on the number in the “Slots” column. If you see **2/2 in green** then both slots are filled. If you only have **1/2 in green**, then only one slot is filled. If you have **0/2 in red** for that weekend only, then danger, you have no referees/umpires assigned for your games that week. Contact your assigner, listed above in #2.
